

## Grayling Improvement Program Approved by Government

### A. R. A. APPROVES \$500,000 GRAYLING WINTER SPORTS PROJECT

Approval was given for a \$500,000 project at the Grayling Winter Sports Park by the Area Redevelopment Administration last Saturday, the Avalanche was advised by the office of Michigan Congressman Elford A. Cederberg Monday morning and also was revealed by the offices of United States Senators Philip A. Hart and Patrick V. McNamara.

THE APPROVAL is for a \$475,000 loan to be paid back over a 20 year period with interest at 3 1/2 percent annually. This public facility loan is expected to produce 66 permanent year around jobs when the project is completed. The non-profit Grayling Recreation Area which operates the facility will put \$25,000 into the project.

The main part of the proposed modernization and improvement project is the projected lodge which will be called "Elbasua", "AuSable" spelled backwards. It will accommodate 280 people and will contain dining facilities plus a cafeteria. A swimming pool within the building is also part of the design.

A snow making machine, six more ski hills, mechanical ski lifts, tennis courts, shuffleboard courts and

an archery range are all part of the proposed plan. A chair lift and a new building to house the Fred Bear Museum of Archery are also planned.

The new building is designed to especially handle the groups from churches, Boy Scouts and other youth groups that over the past many years have made the Grayling Winter Sports Park their headquarters in the north.

THE AREA will continue to operate as a recreation center for youth and family groups. The new lodge will not have a cocktail lounge or bar, and the addition of such is not in any present or future plans.

The project is the result of fine cooperation and working together of the federal government, state government, the local bank and the local corporation. This partnership arrangement was one of the many things that made the proposal very attractive to the A. R. A.

One other major announcement concerning the project which will be of special interest to local people was made by the group's president Lewis Stillwagon. He stated that every effort would be made to hold the present price level and no hike in prices is now contemplated.

### School Elections To Be June 14th

The annual election for Grayling School District Number One will be held Monday, June 14th, 1965, in the high school gym. The polls will be open from 7:00 o'clock a. m. and remain open until 8:00 o'clock p. m. One trustee is to be elected.

Candidates will be running for a four year term which will expire June 30th, 1969. The term of President William Joseph is expiring.

Each candidate filing for nomination must be a citizen of the United States, above 21 years of age, must have been a resident of Michigan for six months and of the district for 30 days previous to said election day. He or she must own property assessed for taxes in his or her own right.

PETITIONS may be obtained from Mrs. Robert Strong at the Avalanche office. These petitions must be filed with the board secretary not later than 4 p. m. on the 30th day prior to the date of the election, namely May 15th. Each petition shall be signed by not less than 50 registered school electors of the district. No elector shall sign the petition for more candidates than are to be elected. One has to be a registered voter only, not a taxpayer to be eligible to sign a petition or vote for a trustee. The petitions must be signed by the circulator in the presence of a notary public before being turned over to the board secretary.

THE FREDERIC school will hold their annual school election the same day as Grayling under the same rules and regulations. Two trustees are to be elected at Frederic, however, as the term of Harold T. Johnson and James Madill are expiring. Petitions for filing to run for the post of trustee on the Frederic board, may be obtained by contacting the Frederic board secretary Harold T. Johnson.

### TROUT SEASON OPENS SATURDAY

The earlier dismal outlook for the 1965 trout season opener on Saturday, April 24th, took a turn upward the first of this week, as weather began to moderate.

Although the outlook has improved, veteran fishermen still see the opening prospects as less than average. A late spring coupled with a still quite heavy snow cover will keep the streams high and cold for the opening day, at least in Crawford County.

Warmer weather to melt the snow pack and allow the streams to get back to normal, both as to flow and temperature, are needed before fishing will start to

tend towards its best.

Even with the poor prospects, upwards of 125,000 trout fishermen and possibly as high as 150,000, are expected to be on the streams come opening morning.

ACTUALLY, Michigan's spring trout fishing season is already underway — on a limited scale. Rain bows and browns became legal catches earlier in April in some 40 upper peninsula streams designated by the Department and in the Great Lakes, Lake St. Clair, the St. Clair, Detroit and St. Mary's rivers (not including the Soo Rapids.) Action reportedly has been slow in these waters.

### To Hold Survey Thursday, Friday

In a telegram to Grayling Mayor Dr. J. F. Cook, City Manager Harold S. Cliff and the Crawford County Avalanche last Wednesday afternoon, United States Senator Philip A. Hart announced that Grayling's workable program for community improvement had been approved by the housing and home finance agency.

FOLLOWING IS the complete text of the telegram:

Pleased to advise housing and home finance agency has today approved Grayling's workable program for community improvement making city eligible for federal aid in form of loans and grants for urban renewal, low-rent housing and more liberal FHA mortgages for private redevelopment.

Philip A. Hart USS It was also revealed that an application by the City of Grayling for the construction of a 28 unit structure of low rental housing for the elderly has been approved.

The 28 unit structure will contain 18 efficiency units of "one room with alcove bedroom and a bath; 8 units will have one bedroom with 2 being 2 bedroom units.

A SURVEY is slated to be carried out in the City of Grayling to determine if there is also a need for a 22 unit structure for low income housing (non-elderly) if the need can be shown. In Grayling for this can have a total of 50 new units with the low income and elderly units combined.

It was understood that the FHA mortgages referred to in Senator Hart's telegram would provide private developers or home builders to qualify for a lower interest rate if building in the City of Grayling and would also provide for a longer term of years in which the mortgage could be paid.

### BAND PRESENTS ANNUAL CONCERT

Last Tuesday, April 13, at 8 p. m., the Grayling High School Band presented its annual concert in the high school gym. The band made a very excellent showing, playing a total of thirteen songs. They were: Star Spangled Banner, Key, El Capitan, Sousa; Overture for Winds, Carter; Buglers Holiday, Anderson; Go! Twist!, Van Aukeu; Sparkles, Harris; Fantasy for Band, Erickson; Piano Concerto, Tchaikovsky; La Fonda-Tango, Yoder; The Mariner, Mattei; Semper Paratus, Van Pasterck; Caravan, Duke Ellington; The Caissons Go Rolling Along, Gruder Yoder.

Three of the tunes, El Capitan, Overture for Winds, and Fantasy for Band, were played for the District Band Festival. Two of the tunes are from a branch of the armed forces. They are: Semper Paratus-Official Coast Guard song, and Caissons Go Rolling Along-Official U. S. Army song.

FOUR STUDENTS played solos: Buglers Holiday played by a cornet trio-Bob Ashman, Linda Christian, and Jack Jansen, accompanied by Carolyn Klein on the piano; Sparkles, a trombone solo by Gary Allen, accompanied by Carolyn Klein; Piano Concerto, an Alto Saxophone solo by Carolyn Klein and accompanied by Linda Christian; and finally a bass solo, The Mariner, accompanied by Carolyn Klein.

At the time this article was written, it was not known as to how much was made on the concert. All of the profits are to go to the purchasing of new uniforms for the band.

### To Offer Full Employment Service Here

A new concept in employment service from the Michigan Employment Security Commission will be put into effect in Grayling later this month or early in May. It has been announced by Harvard Smart, field supervisor for the Commission from Petoskey.

The program known as "Smaller Communities Program" is carried out by a mobile field team of four interviewers and two counselors. The survey of unemployment and the areas needs will be the first part of the assistance offered. The program in Grayling will be under the direction of William J. Hagley, supervisor of West Branch.

The Smaller Communities program is the carrying out of a six-point schedule which will aid the unemployed and help those who need training as well as aid the employer who needs men with certain training or knowledge. It will also help the community to obtain facts and figures of the work force which could prove valuable to industry seeking a new location.

THE SIX POINT program as outlined by Mr. Smart is as follows:

(1) to provide the full range of employment service facilities and service to residents and employers of the area;

(2) to register and interview all applicants interested in employment and to assist them in locating suitable jobs;

(3) to test and counsel all interested applicants in evaluating their occupational potential for specific fields of work;

(4) to make recommendations as to the training needs of applicants found to be not qualified to compete in the labor market, and to assist these persons in relocating when local work opportunities are not available;

(5) to survey the employers of the county to determine both current and anticipated employment requirements; and

(6) to co-operate on a continuing basis with various federal, state, and local agencies and quasi-public organizations in the development of plans designed to improve and stabilize the economic welfare of the county and its residents.

### GARDEN CLUB MEETS

The Grayling Garden Club met April 14 with nineteen members present. Chairman Earl Broadbent conducted the meeting, which was held at the Elementary School building. Two films were shown, one on roses and one on Michigan wildflowers, and Mrs. Michael Handrick showed slides on Arizona flora.

County Extension Agent David Olson conducted a question and answer period which was interesting and helpful.

The next meeting of the club will be on Thursday, May 20, at 7:30 p. m. at the Elementary School.

Mrs. Arthur Thayer, publicity

### Remember—Rabies Clinic Today

A dog clinic for the administration of rabies shots will be held today (Thursday, April 22) from 7 p. m. to 6 p. m. in the Grayling Fire Hall at the new City Hall.

The shots will be given by a authorized veterinarian for \$2.00 per dog. If your dog was given the shot at the 1964 clinic, it is not necessary this year as the shots are for two years. Remember you must have proof that your dog has had a rabies shot.

### May Festival

The primary department of Grayling Elementary School is busy rehearsing the acts for the three ring circus, Little Big Top, which will be presented to the public on May 7th at 7:30 p. m. at the High School Gymnasium.

For years the children have been delighting parents and friends at the festival. Because of the increased number in the school, it became necessary to divide the number of children participating. The primary department, consisting of kindergarten through third grades, will entertain the public this year. The intermediate grades, four through six, will present the program next year.

Remember the 7th of May, Come and see the children in "Little Big Top".

### FISH FRY FRIDAY

The Grayling Sportsman's Club's monthly fish fry will be this Friday, April 23rd, at the clubhouse on Old 93. Serving is 5 to 8 p. m., \$1.50 for adults and 75 cents for children under twelve. Everyone is welcome.

### Grayling Linksters Face 13 Match Slate

With one eye on the calendar and the other on the weather Coach Art Thayer and his 18 member Grayling High School golf team approach the coming season. The boys have been working out in doors for the past four weeks and had hopes of getting outside this week.

SIX LETTERMEN and the five other former team members will form the nucleus of this year's team with seven new members trying to break in. The returning lettermen are: Captain Kyle Slusser and George Stencil, juniors; Kerry Clough, senior; Steve DuBois, Jon MacLeod and Dale Slusser, sophomores. Seniors Richard Smith, Terry Smith and Randy Thompson and sophomores LeRoy Neal and Bob Jackson are non-letter winners who will be trying to make up the top ten.

NEW TEAM members are: Grant Thompson, sophomore; freshmen David Jansen, Fern Welch, Paul King, Donn Broeker, Richard Lovell and Ricky Youngs.

The schedule is as follows: April 20 at Frankfort, Varsity April 27 at Petoskey, Varsity and JV.

April 29, home, Gaylord and Traverse City, Varsity

### ATTENTION ARCHERS

The sport of Bowhunting is being seriously threatened. House Bill No. 2325 has been introduced to cut the bowhunting hours by two hours, starting at 7:00 in the morning and ending at 6:00 at night, the theory being for safety, which is in no way substantiated by statistics. This will cut off almost two hours of the best hunting time as well as curtailing the hunting time of the archer who must hunt before and after working hours.

### Mercy Hospital To Begin Testing Program

Babies born at Grayling Mercy Hospital and remaining in the institution for three days will receive the PKU test after May 1, Sister Mary Janice, R.S.M., hospital administrator announced to the Avalanche this week.

The test is carried out by taking a drop of blood from the infant's heel on a special type of filter paper. This specimen is then tested by the Michigan Department of Health.

Phenylketonuria or PKU is an inherited metabolic disorder due to the lack of phenylalanine hydroxylase, a liver enzyme necessary in the digestion of milk and other proteins containing phenylalanine. Phenylalanine, an essential amino acid, constitutes about 5 percent of proteins such as milk, cheese, and meats. In the absence of a sufficient amount of this liver enzyme, phenylalanine accumulates in the blood stream of the newborn infant and frequently causes mental retardation and neurological abnormalities. The level of phenylalanine in the blood stream of an infant is normally two or three milligrams per 100 milliliters of serum but in an infant with phenylketonuria it may reach 20 times the normal concentration within a week after the ingestion of formula of breast milk.

SISTER MARY Janice reports that the Medical staff of the Hospital has approved participation in the testing program.

### PROM NOTICE

The Junior Class will have a Prom ticket drive Monday, April 26, at 7:00 p. m. Those wishing to purchase tickets at that time please make arrangements to be home. Admission is couples \$3.00 single \$1.75 and spectator 75c.

### City Police Issue Two Traffic Summons

Grayling City Police issued a summons to Larry W. Bancroft, 17 of Grayling on April 18 for failing to stop for a stop sign, and to Kenneth E. Cook, 22, of Fort Knox, Ky., and Grayling, for failing to stop for a stop light and driving to the left of the center line, on April 19th. Both will appear before Justice Don K. Gottho in the near future.

On Tuesday, April 13th, Larry Millikin, 21 of Grayling, appeared in Justice Court before Justice Gottho and pleaded guilty to the charge of furnishing alcoholic liquor to minors, to wit two cases of beer. He was fined \$100 and costs of \$15 and drew 60 days in jail, which was suspended by the Justice and Millikin was put on probation for six months.

### BATTLE CREEK RITES FOR RONALD A. SMITH

Services were to be held Wednesday, April 21, 1965, for Ronald A. Smith at the R. A. Henry Funeral Home in Battle Creek, Michigan, at 1:30 in the afternoon. The Rev. Dr. George D. Seifert of the Lake View Baptist church was to officiate, and burial was to be in Memorial Park Cemetery in Battle Creek.

Ronald Smith was born March 19, 1944, to Charles C. and Beryl I. Parker Smith in Battle Creek. He was a 1963 graduate of Springfield High School, and accompanied his parents to Crawford County in July, 1963, when they came here to manage the Ox-Bow Club on the South Branch of the AuSable River. A member of the Grayling Ski Club, Ronald was employed as a clerk at the Grayling Mercantile store. He was taken ill and entered Mercy Hospital in Grayling on his twenty-first birthday. He was transferred to the University Medical Center at Ann Arbor the next day, and passed away on Easter Sunday, April 18, 1965, of leukemia.

Survivors besides his parents are three sisters, Mrs. Richard (Charlotte) Warner and Mrs. Robert (Barbara) Schuler of Battle Creek, and Linda, at home, two nephews and one niece, and several aunts and uncles.

### EINER TAHVONEN DIES SUDDENLY AT HOME

Einer Tahvonen, 44, son of Mrs. Tina and the late Carl Tahvonen, passed away unexpectedly at his home, 317 Fulton Street, Sunday April 21, 1965. He was born October 25, 1920, in Grayling and was a lifetime resident.

A veteran of World War II, he was based at Little Rock, Arkansas, in 1942 and 1943. Unmarried, he was a carpenter by trade.

Survivors are his mother, one brother, Emil, of Lansing, and one sister, Mrs. Jack (Irene) Flehling of Traverse City.

Funeral services were to be held at three o'clock on Wednesday, April 21, 1965, at the Sorenson Funeral Home with the Rev. John W. Smith officiating. Burial was to be in Elmwood Cemetery under auspices of the American Legion Post 106.

Mr. and Mrs. Carl W. Johnson

### Michelson Plans Camp Fund Dinner Tonight

The Michelson Memorial Methodist church Camp Fund dinner will be served this evening, Thursday, April 22, from 5:30 to 7 p. m. in the church dining room. The cafeteria style meal will offer Swiss steak, with potatoes and gravy, chicken, macaroni and cheese, a choice of vegetables, a salad choice, hot rolls and butter, pie, cake, coffee or milk.

Mrs. Jack Fenton and Mrs. Robert Lovell are co-chairmen of the dinner.

### Woman's Club Annual Mental Health Coffee Hour

On April 27th, the Grayling Woman's Club will hold a coffee hour from 9:30 to 12:30 at the Clubhouse on Ingham Street. The same day, in the afternoon from 2:00 to 4:00, we will have a program on Mental Health and tea, coffee, and cookies.

We are very fortunate to secure Dr. M. Duane Sommerness, M.D., the Medical Superintendent of the Traverse City State Hospital, as our speaker. He will tell of the additions and changes in the hospital, treatment of the patients, causes, treatments, and what we can do for patients or members of our families with Mental Illness.

Father Edn J. Frederic, one of the hospital chaplains will also speak on the new chapel, which we all contributed towards last summer. He will give us the progress to date, on the chapel and explain how religion helps the emotionally disturbed patient at the hospital.

Both of these speakers should prove very interesting and all proceeds from both the coffee hour in the morning and the afternoon program go to the Chapel Fund for the hospital. There is no set admission for either. Just come, bring all your friends, both ladies and gentlemen, and give whatever donation you feel you can for the project. All working people who usually stop for coffee in the morning are invited to come to the Clubhouse for your coffee this day. You do not need to be dressed up. Come as you are. Everyone is welcome.

April 27th, 9:30 to 4:00. Let's make this Grayling's biggest "Coffee Hour".

### MRS. LILLIAN DUTTON PASSES AT SAGINAW

Mrs. Lillian Dutton, of 310 Shelberger, Grayling, passed away suddenly Sunday, April 18, 1965, while visiting at her son Wayne's home in Saginaw. The family had gone there Friday to spend the holiday weekend.

Funeral services were to be held at one o'clock on Wednesday, April 21, 1965 at the Grayling Free Methodist Church, with the Rev. Charles Allen officiating. Burial was to be in Elmwood Cemetery with members of the family serving as pallbearers.

Mrs. Dutton was born November 29, 1895, in Isabella County, the daughter of Lyman and Jennie Williams. She was married October 18, 1920, to Eugene Dutton in Isabella County. They came to Grayling in 1940 and have lived here ever since.

Besides her husband, Mrs. Dutton is survived by three sons, Arnold Tibbitts of Detroit, Roy Dutton of Grayling and Wayne Dutton of Saginaw, three daughters, Donna Dutton, Saginaw, Sarah Dutton, Grayling and Rose Anderson, Lansing, and one sister, Mrs. Elizabeth Jackson of Mt. Pleasant.

### Marriage Announced

The marriage of Miss Carol Millikin and Mr. Lacey Stephan, Jr. took place at 10:30 p. m. Tuesday, April 13, 1965, at the home of Mr. and Mrs. Norval Stephan down river. The ceremony was performed by Elder Norval Stephan before a few friends and relatives.

Mr. and Mrs. Arthur Thayer were the couple's attendants. Following a week's honeymoon Lacey returned to his studies at Northern Michigan University, Marquette, and

### Meeting Starts Plans For July 4th Fete

Fourteen persons met at the Chamber of Commerce offices in the Grayling City Hall Thursday night, April 15th, to plan food, games, and souvenir concessions for the Fourth of July Celebration being sponsored by the Grayling Fire Department. Olin Williamson and Claude (Bud) Halstead were elected by this group to act as co-chairmen in guiding the efforts of various community groups in this endeavor.

Fire Chief Frank May, who had called the meeting, explained the views of the Fire Department in asking other local groups to conduct concessions for the celebration. The Department is planning the day's program of entertainment and the fireworks display which was the highlight of last year's celebration.

Tentatively, it has been planned to use the Municipal Parking Lot on the banks of the AuSable River as the place where concessions will be set up. These will probably be operated from shortly after noon on July 4th until after 10 p. m. A definite schedule will be announced after final plans have been made by the committee composed of representatives of all participating organizations.

Co-chairmen Williamson and Halstead have asked that all organizations wishing to participate contact them by May 1st. It would also be desirable to notify them of the person authorized to act for each particular group.

In addition to food concessions, it is hoped that a fish pond, souvenir stand, archery shoot and pony rides can also be provided. Other suggestions will also be welcomed by the committee.

The 2nd Annual Grayling Fourth of July Celebration is to include a parade, contests for all ages, a watermelon treat for the children, sky diving, a large fireworks display and a street dance.

### Two Arrested By Sheriff's Department

Two young men were arrested last week by the Crawford County Sheriff's Department. Sheriff Arthur Clough reported Richard James Duffee of Hoscocom was arrested last Friday night and charged with reckless driving.

Ernest D. Lozon, 19, of Grayling was arrested last Tuesday and charged with falsifying identity papers in an attempt to purchase alcoholic beverages.

Both have or soon will appear in Justice Court on the charges.

# DONALD J. MOYER NAMED NYL AGENT

Donald J. Moyer was recently appointed as a representative of the New York Life Insurance Company of the Grayling area according to Edwin L. Shaw, C.L.U., General Manager of the company's Upper Michigan General Office.

HE HAS completed the company's indoctrination training and is well qualified in the lines of life, health, and group insurance. He lives with his wife, Patricia, and their three children at R. R. 1, Karen Woods, Grayling.

In Michigan, after golf beer's the one... for good taste, good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's great to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

# WATER CAN BE USED ON ELECTRICAL FIRES

There was much consternation and doubts expressed by many Grayling citizens when the Grayling Fire Department was called out on Tuesday morning of last week to put out a burning power pole at the corner of James and State streets.

Many people thought that the use of water on such a type of fire would be very dangerous. Grayling Fire Chief Frank May told the Avalanche that water can be used on such a fire by someone with professional knowledge and equipment.

He said, "In order to get the blaze out before it burned through the pole and dropped the lines onto telephone drops, pole-holding cables, all of which would have become charged, it was necessary to hit the fire fast."

He explained that the department had heavy rubber gloves for this type work and that the fire fighters wore rubber footwear which kept them from being grounded.

A BOOKLET issued by the University of Michigan Extension Ser-

vice entitled, "The Fire Fighter and Electrical Equipment" contains two facts and figures boxes on the safe distance from voltage both with a solid stream of fresh water and with fog. With a fog of fresh water, a nozzle can be brought to within six inches of the charged wire carrying 7,500 volts with safety . . . when the fire fighter is properly equipped. This is not recommended for the average homeowner who would probably not have the equipment.

## AS WE SEE IT . . .

The current drive in North Central Michigan against pornography, witnessed by several letters in the last few issues of the *Avalanche*, is not confined to Grayling. A like effort, we know, is going on in the Gaylord area as well and maybe in other parts of the Lower Peninsula.

It is impossible to take sides with pornography . . . that would be like being against motherhood or the American flag or being a staunch friend of the Viet Cong.

However, we will say this: it seems to us that the current effort is not too well coordinated . . . people are riding off in all directions to tilt with windmills. We can not see what good it will do to "get on the backs" of the local outlets that handle the so-called "girlie" magazines. This seems to be the chief target of this current campaign.

Let us assume that it is possible to clear the news stands in all of the stores in our community of this type magazine and the lurid paperback books. Does anyone for one moment think that this alone will keep this type of tripe from the hands of youngsters?

Of course not. We will grant that it will be a little harder to come by . . . but this is only a challenge to the workings of the brain of a teenager who wants this stuff. It might very well produce a black market in this type of reading material.

If the American people want this obscene junk off the market (and we think most do) then it should be attacked on a national scale. It should be dried up at the source. In other words, halt the printing of such stuff and then no one could handle it. Pitting neighbor against neighbor is certainly no way to get cooperation or harmonious feelings in a community.

Many people fight against this type of campaign on principle only. They do not want this "gutter wash" but they do want to make up their own minds and not have someone tell them what they can read. The question is definitely a tough one to resolve, and from where we sit, both views give food for thought. R.W.S.

Applicants for sugar rationing books are urged by the Office of Price Administration to study carefully the application card illustrated and have the correct answers when they registration on May 4, 5, 6 and 7. A separate application must be made for every person for whom a ration book is issued, but only one member of each family unit is to appear at the nearest elementary school to apply for all members of the family. This is the biggest registration job ever undertaken in so limited a time in the United States. Within four days the nation, 130,000,000 men, women and children will be registered and will receive their ration books. To accomplish so big a job in so short a space of time the Office of Price Administration, which administers rationing, is urging every applicant for a ration book to come prepared with accurate information to all questions which the registrars will ask when filling out the application form. If you answer questions promptly OPA estimates it will only take four minutes to fill out this form. One and a quarter million school teachers will serve as registrars. Each family will be required to declare the amount of sugar stocks on hand. A family of four will be permitted to use four pounds every two weeks. The ration stock per home is six pounds.

Mr. and Mrs. William Hill arrived in Grayling Saturday evening, Mr. Hill from Hawaii and Mrs. Hill from Battle Creek. Bill, as he is best known among his friends, has been in the employ of the government at Pearl Harbor as an auditor on construction jobs. He has accepted a similar position in government construction work at St. Louis, Mo., and will report there May 1st.

There was considerable excitement Wednesday afternoon when a huge Douglas B-18 bomber plane landed at McNamara airport. While this isn't the first bomber plane to land here, still it was the first one to land on the newly improved airport, easily stopping in about half the length. This huge machine had a wingspread that extended beyond the sides of the runways.

Helen Thompson, daughter of Mr. and Mrs. William Love, and Ollie Jankowiak of Fountain, Mich., spoke their marriage vows at St. Mary's church Saturday morning at 9 o'clock. Fr. James Moloney officiated and the attendants were Miss Irene Jankowiak, sister of the groom, and Robert LaMotte. Mr. Jankowiak is a subaltern, Junior officer at a CCC camp near Fremont, Mich.

Thousands of trained air raid wardens will be ready for action upon completion of training courses now under way in virtually every county in the state. Teachers of the schools are graduates of the state and district warden schools for instructors which were conducted by the American Legion and the Michigan Council of Defense. Men and women attending the local schools are receiving substantially the same courses which were taught by Army officials, civilian experts and members of the state council at the original school at Michigan State College.

Miss Alice Denewitt, daughter of Mr. and Mrs. Henry Denewitt, was united in marriage to Sgt. Robert C. Winslow of Florence, S. C., Thursday evening, April 16th, the ceremony taking place at Napoleon, Ohio. Mr. and Mrs. Wilbur Winslow, brother of the groom and sister of the bride, attended the young couple.

Mr. and Mrs. Otto Failing announce the engagement of their daughter, Betty Jean, to Floyd Millikin, son of Mr. and Mrs. Frank Millikin of Beaver Creek. The couple will be married this summer. Miss Failing was graduated from the Grayling High School last year.

The Misses Virginia Feldhauser and Elsie LaMotte of Grayling spent the weekend with the Arthur Feldhausers in Lovell.

The Clarence Moores of Hazel Park have returned home after spending a few days at their cabin on Shupac Lake.

Earl Burns was elected to fill the vacancy on the city council caused by the resignation of Carl Jensen. The vote of the council members was unanimous.

The John Wakeley family have moved back into their home on Michigan Avenue from the H. Hanson house on Park street where they were living for the winter. The Kenneth Clise family have moved to the home of his mother, Mrs. George Clise.

The County Board of Supervisors voted to discontinue the use of the County Infirmary. This was an economic move and is believed will save the taxpayers considerable. Those who are eligible for admission will be cared for at the infirmary of Antrim county, near Mancelona.

LeRoy Millikin underwent an operation for appendicitis at the General Hospital in Pontiac, Sunday and is getting along nicely. His parents, Mr. and Mrs. Frank Millikin of Beaver Creek were with him at the time and returned home Friday. LeRoy, with his brothers Bud and Floyd, have been working in Ferndale for the past two months.

Born to Mr. and Mrs. Holly Ostrander, a daughter, Gwendolyn Janet, April 17th, at the home of Mrs. Jerry Sherman. Bill Wilson, Bill Jarratt, Art Weideman and Gary Farley of Detroit spent the weekend visiting Misses Anne and Alma Bidvia and Monica Brady. People at St. Paul-St. Marie are experiencing some novel sights as well as feeling the security that is being thrown about the vital locks in the ship canal. The latest is a swarm of "rubber cows" or "Rubbernecks" as they are sometimes called. These inflated silvery balloons are attached to cables and released to the winds. When the balloons are in the air they create a veritable fence, into which no

airplane would dare to fly. Also of special interest is the fact that the winches or cast-steel spools upon which the cables are wound, are being made here in Grayling. The Danish Ev. Lutheran Church will observe the fiftieth anniversary of its founding next Sunday. The date is actually April 24th, but it was decided to celebrate the occasion Sunday. A number of visitors are expected to be present among whom will be many who worshipped in this church in former years.

## CMU TO TRAIN "HEAD START" TEACHERS

MT. PLEASANT — Central Michigan University has been designated as a training center for teachers who will be working in local community action programs under "Project Head Start".

The university was selected by the Office of Economic Opportunity and the National University Extension Association. Project director at CMU is A. T. Rolph, assistant director of Field Services; Ann Louise Welch of the Laboratory School, is program sponsor.

Provisions have been made by Field Services and the School of Education to train up to 375 teachers in the problems of pre-school youth. Three six-day sessions, from June 14 through July 3, will be used to provide information in such areas as medical and dental needs of children, nutritional problems, educational needs and parent participation in childhood education.

ROLPH SAID, "Resources of the university will provide a broad spectrum of training for the participants. At the end of program, teachers will return to their local communities to develop an intensive eight-week program for children who will be entering school for the first time in September."

possible under provisions of the Economic Opportunity Act of 1964. Inquiries about the project at CMU may be directed to Rolph at the Field Service office.

**STATE OF MICHIGAN**  
The Probate Court for the County of Crawford

In the Matter of the Estate of Clarence VanAmburg.

At a session of said Court, held on April 2, 1965.

Present, Honorable Edward H. Fenlon, Circuit Judge.

Notice is Hereby Given, That all persons interested in said estate are directed to appear before said Probate Court on May 8, 1965, at 10:00 A. M., to show cause why a license should not be granted to Myrtle Larson, administrator, of said estate, to sell or mortgage the interest of said estate in certain real estate described in her petition, for the purpose of payment of claims and expenses of administration of said estate and for distributing residue of estate.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Crawford County Avalanche, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered or certified mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

As Howard Morse received the largest number of votes cast, he was declared duly elected to the office of City Constable for the next regular term.

Harold S. Cliff, City Clerk

Special meeting of the City Council held at 12 o'clock noon at Chief Shoppenger's Motor Hotel on April 8, 1965.

Meeting called to order by Mayor Cook at 12:00 noon.

Members present: Cook, Duley, Sorenson, Madsen.

Members absent: Broadbent.

Citizens present: Ward Ellison.

To discuss the payment to Central Paving Company of West Branch, Michigan, for work done for the Pierce Construction Company on the Sewer Project APW-Mich-39G.

After much discussion was held on the issue, it was decided by the Council to rescind all other action taken on this matter.

And that a check be issued to Central Paving Company, from the funds due Pierce Construction Company, taking 90 percent of the amount due them \$6,419.70.

A motion on the above was offered by Cook and supported by Sorenson.

All voted in favor, the motion carried.

The meeting was then adjourned at 1:30 p.m.

To Take Part In Small Arms Tourney

Fort Carson, Colo. (AHTNC) — Sergeant First Class William L. Weiss, whose wife, Nancy, lives at N6018 Douglas dr., Spokane, Wash., will participate in the annual Army Air Defense Command Small Arms Tournament April 12-17 at Fort Carson, Colo.

The regular meeting of the Grayling School District board of trustees was called to order at 8 p. m. on March 8, 1965, in the home-making room. Present were Supt. Joseph Stripe and trustees Thompson, Millikin, Henig and Strong. Absent Smock, Bishop and Joseph.

The agenda showed a true balance, as of February 26, in the general fund of \$3615.21, in the debt retirement fund as of February 28th \$27,335.85; in the building and site fund \$63,000.00 and in the hot lunch fund \$254.67.

The minutes of the February meeting were read and approved.

Rental for the hot lunch kitchen at the elementary school was set at \$15.00 for dinners and \$10.00 for breakfasts and lunches.

Supt. Stripe informed the board there is no charge for students riding the school busses to out of town games but they must present a game ticket to be eligible to ride.

The board ruled that class rings must be purchased through a local source.

Henig inquired about the blinker light for the new school and was informed the blinker has been received, the time switch material has been ordered and all will be installed by Grayling Electric when weather permits.

The need for at least three replacement and five additional teachers was discussed.

The academic teacher contracts presented by the Supt. were accepted on a motion by Millikin supported by Thompson. Motion carried.

It was pointed out that Mrs. Milnes, who is retiring, had offered to help with the cantata and chorus free of charge if the need arises.

The Supt. presented the 1965-66 school calendar. He announced the class in journalism will be dropped and one in speech will replace it with the probability the school paper would be published once a month instead of the present publication dates. He was requested to set up a meeting with the architects, also to find out how many high school baseball teams there are in the area and report at the April meeting. He announced that four high school teachers are commuting to the elementary school daily and transportation should be provided for them. He was authorized to purchase a 1961 Chevrolet from government surplus for \$175.00 for this purpose.

The board asked that Robert Bove attend the June meeting and report on the testing program.

Bills 4912 through 4967 in the amount of \$31,986.17 were approved for payment — unanimously. The motion was made by Henig and supported by Millikin.

Dr. Henig was to inquire into the electric rate and Supt. Stripe into more realistic storage for the gym locker rooms.

It was pointed out 450 people can be served meals in the multipurpose room.

A letter from the National Union Insurance Company was read regarding the Deming account.

A letter from the Michigan Assn. of Schools Boards was read with which the board did not fully agree. The secretary was requested to answer it and state the board's opinion.

A motion by Strong supported by Millikin requested that one thousand dollars be donated to the band uniform fund. Motion carried.

The Supt. proposed to remove the glass behind the trophy case and substitute plywood and use the glass to replace a broken window in the gym as this type of glass is no longer available. The board agreed.

Other minor matters were discussed. Meeting adjourned 10:45 p. m.

## PLAN FREE ADULT HEALTH SCREENINGS

Persons in the county who are  
30 years of age or older will have  
a chance to avail themselves of  
free health screening tests being  
offered through District Health De-  
partment No. 1, May 3 through  
May 20, according to Dr. Georgia  
V. Mills, M. D.

These health tests are devised  
to uncover cases of tuberculosis,  
and other possible chest prob-  
lems, diabetes, heart disease, and  
other chronic illnesses.

"I urge everyone who can, to  
take advantage of the opportunity  
to have these important health  
checkups," Dr. Mills said. "That  
goes for persons who think they  
are in the pink of health because  
the diseases for which we are test-  
ing often do not manifest symp-  
toms in their early stages."

DR. MILLS emphasized that the  
health tests were no substitute for  
the complete physical examination  
conducted in the doctor's office.  
But she noted that the screening  
"has proven invaluable in finding  
previously undetected disease, and  
often demonstrates the importance  
of regular health checkups by your  
physician."

She said the tests take only a  
few minutes of time and include  
a chest x-ray, and blood test for  
diabetes. She said that the x-ray  
often is able to pick up heart  
deformities.

"These combination health  
screening programs have been  
conducted throughout Michigan in  
other counties with great success,"  
Dr. Mills said. "The investment of  
only a few minutes of your time  
can be the most important few

minutes you have ever taken for  
anything. It's an investment in  
good health, and for some, it will  
be an investment in life itself."

This program is being conducted  
by District Health Department No.  
1. Cooperating in promoting the  
program are the Michigan Depart-  
ment of Health and the Michigan  
Tuberculosis and Respiratory As-  
sociation and Home Extension  
Groups in the counties. Sponsors of  
the Michigan Diabetes Detection  
program include the Michigan Dia-  
betes Association, the Michigan  
State Medical Society, Michigan  
Department of Health, and the  
Michigan Pathological Society.

## ORDER OF THE EASTERN STAR CONTRIBUTE TO MANY CHARITIES THROUGHOUT MICHIGAN

The Order of the Eastern Star is  
a charitable organization. In Mich-  
igan, through the 50-cent contribu-  
tion to the Every Member Project,  
the following charities are support-  
ed:

1. The Villa for children, ages 6  
to 18, located in Adrian.
2. Educational Scholarships for  
first and second year college stu-  
dents.
3. Educational loans for third  
and fourth year students.
4. Estar scholarships for those  
studying for the ministry or other  
religious fields.
5. Relief for aged Sisters, can-  
cer cases and emergency situa-  
tions.

ESTAR (Eastern Star Training  
Awards for Religious Leadership)  
is a General Grand Chapter depart-  
ment but the funds are returned to  
Michigan to be allocated to schol-  
arships which are given to young  
men and women, of all denomina-  
tions, who are sponsored by East-  
ern Star Chapters.

Eastern Stars throughout the  
Eastern Star World have set the  
record of contributing a Million  
Dollars for religious training schol-  
arships. Michigan has, up to this  
point, contributed approximately  
\$50,000.00, having given assistance  
to approximately 200 young people.

THE ESTAR program prepares  
young men and women to go out  
into the world and teach the spirit  
of tolerance, understanding and the  
gospel of the universal peace and  
brotherhood, regardless of differ-  
ences of color, creed and opinion.  
Their influence through united ef-  
forts might play an important part  
in saving the world for future gen-  
erations.

If space permitted, testimonials  
could present many personal  
messages of appreciation from  
young people who are now oc-  
cupying parishes in Michigan,  
who have gone forth into foreign  
fields of service and who have  
become ambassadors of good  
will.

Other scholarships touch all other  
kinds of courses, except religious  
training. These grants are made to  
High School students and some-  
times these scholarships have been  
extended into the sophomore year  
of college.

## Tourist Council Predicts Record Summer Business

LANSING — A record summer  
season appears to be in sight for  
the Michigan travel industry, ac-  
cording to the Michigan Tourist  
Council.

This prediction of things to  
come was voiced Thursday at the  
opening of a two-day Tourist  
Council meeting in Lansing.

William T. McGraw, council di-  
rector, said more than 40,000 re-  
quests for Michigan spring-summer  
vacation planning literature were  
received during March, an increase  
of nearly 85 percent over the same  
month last year.

"MORE THAN 32,000 of the  
March inquiries resulted from the  
largest spring-summer advertising  
program in the 20-year history of  
the 'Tourist Council', McGraw  
said.

"The council allocated about  
\$200,000 this year to advertise  
Michigan's warm weather travel-  
vacation advantages. This com-  
pares with an expenditure last  
year of some \$145,000.

## Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

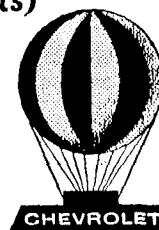

## People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)

It looks like a big car. And is—by almost any  
standard you want to apply.

Width? Nobody builds a car as much as one  
inch wider. Length? It grew three inches this  
year. Roominess? Every closed model's got  
three inches more shoulder room, front and  
rear, and more leg and foot room up front too.  
Luxury? Nice little touches like the look of  
mellow walnut across the Impala's instru-  
ment panel. And big touches. Like the fine-  
ness of the same Body by Fisher workman-  
ship that makes some of America's most

expensive cars look so expensive. How about  
the ride? Chevrolet engineers took the Jet-  
smooth one and smoothed it out even more  
this year. Also made it more stable by widen-  
ing the wheel stance. Price? That's where  
Chevrolets fall way short of the other big  
expensive-looking cars. But we wouldn't have  
it any other way. Would you?

One last question: How soon can you make  
a good spring buy on a Chevrolet? One last  
answer: Just as soon as you can get down to  
your Chevrolet dealer's.

## Bits O' Talk

Mr. and Mrs. Richard K. Nelson, Jan and Jon of Grand Rapids were weekend guests of his parents, Mr. and Mrs. Earl Nelson.

Mr. and Mrs. Roger C. Nelson, Mike and Paul of Lowell were weekend visitors at the homes of Mr. and Mrs. J. Renaud and Mr. and Mrs. Earl Nelson.

The Lewis Stillwagons returned Saturday from a week at Breckenridge, Colo., where they were two of the thirteen sponsors of the 40 Y. M. C. A. Young People's group of Lansing on a ski trip. They had a day's skiing at Dale and Arapahoe also. It snowed 4-6 inches every night and there was bright sun every day.

Wharff's Dinner Bell Inn will reopen for the season at 6 a. m. Friday, April 23. Still closed Mondays. Mrs. Pearl Hedrick had as her guests last week her nephews, Tom and Denny Stump of Cadillac. On Saturday she took them back home and remained to spend this week with them.

Marcia Sorenson came home Wednesday of last week to visit her parents, Mr. and Mrs. A. J. Sorenson, until Monday. They took her to Detroit then to spend this week visiting her roommate at CMU, Miss Priscilla Edwards at the home of her parents, Mr. and Mrs. Fred Edwards. The girls will go directly back to CMU, Mt. Pleasant, from Detroit next Sunday, the Edwardses taking them.
